PROFESSIONAL SUMMARY

Detail-oriented Computer Science graduate (Federal University of Kashere) with hands-on experience in web application development, administrative support, and customer service. Built a full-stack e-commerce platform using PHP, MySQL, HTML, CSS, JavaScript, and Bootstrap, covering user authentication, cart management, checkout, and an admin dashboard. Skilled in managing documentation, resolving customer issues, and supporting daily business operations in fast-paced settings. Reliable, fast-learning, and comfortable working independently on remote assignments with minimal supervision — seeking online opportunities in web development, virtual assistance, data entry, and customer support.

CORE COMPETENCIES

Web Development: HTML5, CSS3, JavaScript, PHP, MySQL, Bootstrap, Responsive Design, Git/GitHub

Admin & Support: Data Entry, Documentation, Customer Service, Office Administration, Report Writing

Productivity Tools: Microsoft Word, Excel, PowerPoint, Google Workspace, Internet Research

Core Strengths: Problem-Solving, Attention to Detail, Time Management, Communication, Adaptability

PROFESSIONAL EXPERIENCE

Administrative Officer / Business Center Assistant

2022 – 2023

Business Center — Nigeria

- Managed daily office operations, customer inquiries, and front-desk coordination for a busy business center.
- Assisted clients with document preparation, formatting, and printing/scanning services.
- Maintained accurate digital and paper records, improving retrieval time and reducing filing errors.
- Supported administrative and customer-facing activities, ensuring consistent, professional service delivery.
- Streamlined day-to-day workflows through better task organization and prioritization.

Administrative Assistant / Customer Service Representative

2021 – 2022

Ceetech Solutions (Cyber Café) — Nigeria

- Delivered printing, scanning, photocopying, and internet browsing services to a high volume of daily customers.
- Provided first-line technical troubleshooting for customer computer and connectivity issues.
- Maintained accurate customer records and handled routine administrative tasks with high accuracy.
- Kept the workspace organized and equipment functional, supporting smooth daily operations.
- Built strong customer-service habits by handling multiple clients efficiently under time pressure.

FEATURED PROJECT

Sunco Bookstore — Full-Stack E-Commerce Web Application

Final-Year Project

Stack: PHP, MySQL, HTML, CSS, JavaScript, Bootstrap

Designed and built an online bookstore platform allowing users to browse titles, create accounts, manage a shopping cart, and complete orders through a clean, responsive interface.

- Implemented secure user registration and login system.
- Built book browsing and search functionality with a MySQL-backed catalog.
- Developed shopping cart and online checkout workflow.
- Created an administrative dashboard for managing books, orders, and inventory.
- Designed a fully responsive interface using Bootstrap for cross-device compatibility.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science

2026

Federal University Kashere, Nigeria

CERTIFICATIONS & ADDITIONAL LEARNING

- Add any completed online courses here, e.g. “Responsive Web Design — freeCodeCamp” or “Introduction to PHP — [Platform]”.
- Consider free/low-cost certifications to strengthen this section: HTML/CSS/JS (freeCodeCamp), Google Data Analytics, Microsoft Office Specialist, or platform-specific badges (Upwork Skill Certifications).
