

LAZARUS CHINEMEREM OWAH

Web Developer | Virtual Assistant | AI Data Annotation & Transcription | Customer Support | B2B Sales & Business Operations

Nigeria | +234 813 977 1361 | owahlazarus122@gmail.com | LinkedIn: linkedin.com/in/[lazarus-owah] | Upwork: upwork.com/freelancers/[lazarus owah] | GitHub: github.com/[techowasco-ops]

PROFESSIONAL SUMMARY

Detail-oriented Computer Science graduate (Federal University of Kashere) with hands-on experience in web application development, transcription and AI data annotation, administrative support, customer service, and B2B sales. Two years of part-time, hourly freelance work with Rev and TranscribeMe performing general and audio/video transcription, data labeling and annotation for AI training, and quality review, developing strong accuracy, attention to detail, and independent time management. Built a full-stack e-commerce platform using PHP, MySQL, HTML, CSS, JavaScript, and Bootstrap, covering user authentication, cart management, checkout, and an admin dashboard. Owns and operates a physical trading business for the past 10 years, managing supplier sourcing, B2B client negotiations, sales closing, inventory, and day-to-day operations. Reliable, fast-learning, and comfortable working independently on remote assignments with minimal supervision — seeking online opportunities in AI data annotation/transcription, web development, virtual assistance, B2B sales/business development, and customer support.

CORE COMPETENCIES

AI Data Annotation & Transcription: General Transcription, Audio/Video Transcription, Data Labeling & Annotation for AI Training, Quality Review & QA, Style-Guide Compliance, Deadline Management, Rev, TranscribeMe

Core Strengths: Problem-Solving, Attention to Detail, Time Management, Communication, Adaptability

PROFESSIONAL EXPERIENCE

Business Owner / B2B Sales & Operations Manager

2016 – Present

Sunco Bookshop — Nigeria

- Own and operate a physical trading business dealing in a range of commodities and services, managing the business end-to-end for over 10 years.
- Source and negotiate with suppliers to secure reliable stock and favorable pricing terms.
- Build and maintain relationships with B2B clients, negotiating deals and closing sales to grow repeat business.
- Manage inventory and stock levels to balance customer demand against available capital.
- Handle payments, invoicing, and day-to-day financial record-keeping for the business.
- Oversee daily business operations, combining sales, client relations, and logistics to keep the business running profitably.

Transcriptionist & AI Data Annotation Specialist (Freelance, Part-Time)

2 Years, Hourly

Rev (rev.com/freelancers) & TranscribeMe (transcribeme.com/freelancers) — Remote

- Completed general and audio/video transcription assignments for a range of clients, converting spoken content into accurate written text under project style guides and deadlines.
- Performed data labeling and annotation tasks to support AI model training, following detailed guidelines to ensure dataset quality and consistency.
- Conducted quality review of transcripts and annotated data, checking for accuracy, formatting, and adherence to client/style requirements before submission.
- Worked independently on an hourly, part-time basis for two years, managing workload and deadlines with minimal supervision.
- Built strong accuracy and attention-to-detail habits from repeated quality-scored assignments across both platforms.

Administrative Officer / Business Center Assistant

2022 – 2023

Business Center — Nigeria

- Managed daily office operations, customer inquiries, and front-desk coordination for a busy business center.
- Assisted clients with document preparation, formatting, and printing/scanning services.
- Maintained accurate digital and paper records, improving retrieval time and reducing filing errors.
- Supported administrative and customer-facing activities, ensuring consistent, professional service delivery.
- Streamlined day-to-day workflows through better task organization and prioritization.

Administrative Assistant / Customer Service Representative

2021 – 2022

Ceetech Solutions (Cyber Café) — Nigeria

- Delivered printing, scanning, photocopying, and internet browsing services to a high volume of daily customers.
- Provided first-line technical troubleshooting for customer computer and connectivity issues.
- Maintained accurate customer records and handled routine administrative tasks with high accuracy.
- Kept the workspace organized and equipment functional, supporting smooth daily operations.
- Built strong customer-service habits by handling multiple clients efficiently under time pressure.

FEATURED PROJECTS

Sunco Bookstore — Full-Stack E-Commerce Web Application

Final-Year Project

Stack: PHP, MySQL, HTML, CSS, JavaScript, Bootstrap

Designed and built an online bookstore platform allowing users to browse titles, create accounts, manage a shopping cart, and complete orders through a clean, responsive interface.

- Implemented secure user registration and login system.
- Built book browsing and search functionality with a MySQL-backed catalog.
- Developed shopping cart and online checkout workflow.
- Created an administrative dashboard for managing books, orders, and inventory.
- Designed a fully responsive interface using Bootstrap for cross-device compatibility.
